**Subject:** Docket number 2018-358-WS

Dear Jamie Shirey,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at [www.psc.sc.gov](http://www.psc.sc.gov).

- Docket No. 2018-358-WS - Verified Application of Carolina Water Service, Incorporated for Approval of Annual Rate Adjustment Mechanisms and Petition for an Accounting Order to Defer Expenses

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

**I am a customer of Blue Granite and subject of their application for Rate Increase and an Annual Rate Adjustment Mechanism that that will have a negative impact on current cost of living.**

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

**I am in protest to this request as it will severely impact the current cost of living for the entire community. Capacity continues to become more and more of an issue in multiple areas of our community life and we as residents have had low to no relief support. The answer is not to hold the residents to a significant rate increase, 21.5%, in addition to potential additional yearly rate changes. We should alternatively look to contract with the appropriate sources that can support the capacity of our growing community.**

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***

**I do not wish to make an appearance at this hearing.**
